Making real people for your dream creations

## 1/12<sup>th</sup> Scale Clothing Kits

These are: -

- Exclusive and original to us
- Researched, designed and tested
- Tudor to Modern

The use of glue is minimal the emphasis being on hand sewing, but you may glue the kit if you prefer. Kits are graded beginner, intermediate, advanced and very advanced in relation to difficulty.

Our kits have everything you need, except your thread and tacky glue. We only use highest quality natural fibres such as silk, cotton or leather unless other fabrics are required for authenticity.

### Kit's include

- All fabrics for clothes and underwear
- Trimmings e.g., cotton lace, ribbon and braid
- Bead buttons
- Leather for footwear
- Pattern
- Instructions
- Fine sewing needle
- Accessories where appropriate.

If you have any particular colour scheme requirements please let us know and we will endeavour to provide it. The kits are designed by Sue to fit Sue Harrington's' dolls perfectly; if using another makers' dolls then some adjustments may be required.
