

Sue Harrington - Doll Maker and Designer

Making real people for your dream creations

Undressed, Assembled, Porcelainolls Porcelain Dolls

Assembled all porcelain dolls are ready for you to dress. Straight legged dolls will stand once dressed, although you may have to extend an arm for them to balance. The bent legged dolls can kneel or sit as indicated. Available for some dolls are a variety of arms and hand positions, e.g. straight or bent arms, and footwear such as boots, high or low-heeled shoes, bare feet etc.

Assembled all porcelain dolls have: -

- Swivel heads, internally jointed at neck
- Internally jointed porcelain arms at the shoulders & legs at the hips
- Choice of hair colour & wiggling instructions

Hair colours

Please state which hair you would like for each assembled doll or doll kit ordered. There is enough for you to style the hair several times, provided you use a water-based glue that enables the hair to be removed.

Hair and wiggling instructions are included in the price of your dolls. We do not sell hair separately.

Wigged dolls

All the all porcelain assembled dolls or doll kits can be wigged for an additional fee - from £6.00 please discuss this with Sue as cost will depend on intricacy of hairstyle.
